NEWSLETTER

---

January, 1978

This is the first newsletter of the B. C. branch of the Canadian Music Centre. Time providing, we will attempt to put something together once a month (or once every two months) to keep you up to date on what's happening at the Centre, new scores received, performances of Canadian music in B. C. and of B. C. composers' works.

The Regional Council of the B. C. branch has met. The members are:

Allen Clingman, Chairman  
Murray Adaskin  
Hans Burndorfer  
Helen Dahlstrom  
Rudolf Komorous

Phyllis Mailing  
Alex Pauk  
Barbara Pentland  
Jon Washburn

COMPOSERS:

The Regional Council agreed that scores and tapes of works by B. C. composers who are not Associate composers, should also be available from the B. C. branch of the Canadian Music Centre (at no cost to the Centre) and that B. C. composers be encouraged to submit works. Works will be accepted at the discretion of the Regional Manager.

Information and applications for Associate Composer are also available.

POSTERS:

B. C. branch of the Canadian Music Centre posters are now available. Many have been mailed already. If you want more, let us know.

EQUIPMENT:

Stereo speakers have been installed to facilitate group listening. Headphones for individual listening are also available.

#### TEACHERS, ORGANIZATIONS ETC.:

I am available for talks on the Canadian Music Centre and Canadian composers. These can be illustrated with scores and tapes, and can be general or specific in format. Phone me for further information.

Workshops here at the Centre are also valuable and interesting. They can be arranged for groups of students, teachers, and organizations. If you have any ideas or questions concerning this, please phone.

#### THE LIBRARY:

Since November there have been many additions to the basic library of scores. A list is attached arranged by instrument combination for your ease. These and all scores are available on free loan. Come in or phone.

Books and journals on Canadian music and composers are also available for use in the library.

#### RECORDINGS:

Recordings available for on-site listening include CBC and RCI recordings from "The Canadian Collection", Melbourne recordings, and a large collection of cassettes.
